NEW SINGLE 'BE WHAT YOU WANT' UK MARCH HEADLINE TOUR with special guests 'Airborne'

One of *the* British rock success stories of 2006, **The Answer** blast into the new year with a brand new single, the stunning '**Be What You Want**' out on **March 12th 2007** through **Albert Productions**.

This uplifting, inspirational rock anthem will be released digitally and on 7 inch vinyl offering with it, a host of musical gems. Both formats include the much coveted Aerosmith cover '**Sweet Emotion**' with the digital bundle also offering an acoustic version of previous single '**Into The Gutter**' and a live version of album track '**No Questions Asked**'.

'Be What You Want' is the third single to be lifted off their debut album '**RISE**', which has now reached Impala **SILVER** certification status in Europe (including UK and Eire) selling over an incredible **50,000** copies since its release in the UK (July) and Europe (Sept).

To coincide with the single release the band head out on their largest UK headline tour to date. Joined by special guests 'Airborne' their immense foot-on-monitor-guitar-wielding-head-banging-good-time-rock 'n' roll will be at the following venues:

UK TOUR DATES: MARCH 07

01 Oxford Zodiac	06 Newcastle Northumbria University
02 Bristol Trinity	07 Glasgow Garage
03 Manchester M.D.H	09 London Bloomsbury Ballroom
05 Nottingham Rescue Rooms	10 Birmingham Academy

The last time they played the UK it was a sold out show at London's Mean Fiddler venue back in November. Since then they've toured heavily throughout Europe, recruiting a fevered army of fans across the continent. Directly after the UK shows they jet off to Japan where their recent album release has shot into the international charts top 5 selling 10,000 week 1!! Following that Australia beckons where they will be touring with the **Eagles of Death Metal!**

If 2006 saw the band cement their solid foundations at the forefront of the current rock scene; 2007 will undoubtedly see them be catapulted to super-stardom and worldwide domination.
