Available as a digital download this high-speed riff-tastic track is accompanied by a brilliant 60’s inspired video where Evangelical frontman, Cormac Neeson, tempts TV viewers to part with cash and find God whilst being led into temptation himself with attractive telephone operators and other er.....appealing vices. ***" Delightfully unreconstructed and properly guileless foot-on-the monitor rock. It's all here, fret board shredding solos, jet engine vocals. Marvellous"***
