## **New Single – ‘Never Too Late’**

*“The Answer are superstars already; it’d be cruel not to make their dreams come true.” (Kerrang!)*

Northern Ireland’s award winning, **The Answer** return with the release of their brand new single ‘**Never Too Late**’ on **November 14<sup>th</sup> 2005** through **Albert Productions**. A stunning slab of blues laced rock ‘n’ roll, re-creating the spirit of 70’s rock with soul-filled vocals and good time grooves, and is as loud and vital as you’d want your new favourite rock band to sound like.

Mastered by the legendary Ted Jenson (Metallica, Korn) ‘**Never Too Late**’ will be available on CD single, coloured 7” vinyl, and as a download with the b-sides ‘**Rock Bottom Blues**’ and ‘**Some Unity**’. Surviving a near brush with death the band shot the video for the single in the forests near their home town in Downpatrick. In pitch darkness after the generator providing light and electricity for the shoot ran out of diesel, the band tried to negotiate their way out of the forest only to end up with two tyres dangling over the edge of a cliff with a fierce river flowing below them. A kind near-by farmer, his wife and his clapped out tractor saved them, the van, the gear and of course the video and towed them to safety. There’s nothing like a band who works hard for your entertainment...

‘**Never Too Late**’ follows their applauded debut EP ‘**Keep Believin**’ which came out on July 25<sup>th</sup> 2005 and follows the news that the band won **Best New Band 2005** at the star-studded inaugural **Classic Rock Awards** held in central London on October 4<sup>th</sup>.

Editor of Classic Rock Magazine, Scott Rowley presented the award to the surprised Northern Irish quartet and a shell-shocked Cormac Neeson had this to say:

*“We’re over-whelmed to win this award; especially as some of our greatest idols were sat in the room watching us collect our award, drinking champagne. As well as that we got to have our photo taken with Jimmy Page. It was a great night.”*

You can catch them live when they tour with Tokyo Dragons and The Sound Explosion on the New School Of Rock Tour and then as main support to Alter Bridge. Full tour dates overleaf. They also headline the Empire in Belfast on December 8<sup>th</sup>.
